Welcome to the Tulsa Historical Society. Your efforts to preserve and promote Tulsa’s history and educate Tulsans and its visitors will have a lasting effect on this community. The image of Tulsa and its citizens will be reflected in your good volunteer work.

Volunteers are not employees of the Tulsa Historical Society. Workers Compensation Insurance is not provided for volunteers. Because of this, your safety and the safety of our visitors are of the greatest concern. Please take time to familiarize yourself with your work area and notify your supervisor if you have questions or concerns about your volunteer work duties. If you have any physical conditions that limit your working ability, let us know in order that an appropriate job can be suggested for you. We encourage all volunteers to help make the Tulsa Historical Society events safe and enjoyable by immediately reporting any potentially hazardous condition.

Please list any physical conditions that limit your working ability.
