Monday, April 2

- 7:45 a.m. Depart Tulsa Historical Society
- 10:00 **R(adio) F(requency) ID(entification) Research Center in Fayetteville** - one of the world's preeminent retail development sites - learn about tracking devices that can pinpoint a box within inches in any warehouse, to dressing rooms that allow you to pay for purchases as you are trying on clothes. See first hand the future of retail technology.
- 11:15 **"Mermaids" in Fayetteville** for lunch, voted the "Best Overall Restaurant in Northwest Arkansas".
- 12:30 p.m. Leave Fayetteville for Bentonville.
- 1:00-4:00 **Crystal Bridges** - As you tour on your own, see art painted from colonial times to modern art. With its extensive collections, breathtaking architecture and lush natural setting, Crystal Bridges is one of the premier destination museums in the nation.
- 4:00 Leave.
- 4:30 **Walton's 5 & Dime**, the original store of Sam Walton's Wal-Mart empire. While maintaining its authentic facade, its interior has been transformed from small town store to the Wal-Mart Visitors Center, including Wal-Mart souvenirs and trade show-like displays depicting the Wal-Mart History.

We will run the gamut of pricing at Walton's 5 & Dime to RFID Research Center.  
And as usual, Karen's Tours will plan a surprise or two!!!
